

## Change of regulations upon transfer to grammar school

- > no oral exam
- > more emphasis on the comprehension part of the exam as opposed to the composition part
- > extension of probationary period to 6 months

## Change of regulations upon transfer to college

- > extension of admissions to secondary A and B students
- > no overall performance grades required
- > oral examination
- > mathematics and languages are given equal weighting
- > extension of probationary period to 6 months

## Timetable of implementation

### School year 2012/13

- a probationary period of one semester at both grammar school and college

### School year 2013/14

- no more oral entrance exams for grammar school
- equal weighting of both exam parts in German for grammar school entrance exams

### School year 2015/16

- all further changes
- central admissions exam for college with equal weighting of German, mathematics and French
- central admissions exam for college for secondary A and B students without requirement of overall performance grades and with an oral exam
